The Village Realtors is happy to provide you with these Garage Sale Signs:

\_\_\_\_\_. (Enter Sign #)

In order for us to be able to continue to provide this service to our community, we ask that you:

1. Return the **above numbered signs** (and this Agreement Form) to The Village Realtors Company office on Monday, from 9:00 am to 5:00 pm. *(if you are having a Saturday only sale, signs may also be returned on Monday before 5:00 pm.)*

**OUR OFFICE IS CLOSED ON SUNDAYS**

- Please **DO NOT** return signs on this day
- Please **DO NOT** leave Signs outside the office when we are closed

2. The Public Works Agency strictly enforces the placement of garage sale signs on streets.

Please adhere to these guidelines so the signs will not be confiscated:

- a. Never place a sign on a median strip.
- b. Always leave at least 36" allowance on sidewalks in consideration of pedestrians and wheel chair bound persons.

3. I have received a copy of Tom's tips: "How To Run A Successful Garage Sale."
